ELLINWOOD

Capt. Pickering Returns From Summer Duty at Camp Roberts

By JANET ROBINSON
FR 5-7063

Capt. Ramon Pickering, of 4414 Green Meadows Ave., is home again after spending three months at Camp Roberts where he was stationed during the summer. He is now back at his regular duties as assistant post exchange officer at Fort MacArthur. Over Labor Day week end Capt. Pickering, his wife, Bernie, and their two girls, Toni and Terri, went off to Santa Barbara where Ray raced his new M.G. He took fifth in the consolation race for the under-1500 cc of displacement in class F. The Pickering's are now looking forward to the sports car races scheduled to be held in Pomona in October.

Two Ellinwood residents and their wives attended the welcoming reception for Maj. Gen. Frank N. Roberts and his wife. General Roberts is the new commanding officer of Fort Mac Arthur and of the Southern California Military District. Those attending from here were Capt. and Mrs. Harry Shires and Capt. and Mrs. Ramon Pickering. The reception was held in the patio at the Officers Club and was attended by military personnel from all over Southern California.

Frank and Jeanne Pope recently returned from a four-day stay at Ojai. One day the whole bunch went picnicking at Mistletoe Meadows and of course they swam and played golf. Frank ran into a little trouble in the form of poison oak while golfing in his Bermuda shorts. At last report, he was still in shorts and probably will be for some time!

Former Ellinwood residents and now residents of Palos Verdes, Dr. Bill and Barbara Weaver and their five children spent a vacation last month at some remote lakes in Washington. They flew to Seattle on a Friday night, then traveled to Bellingham and visited Bill's folks for two days. There they left their two youngest boys and took off with Bill's sister and her husband and children, for those lakes. The road must have been a little different than we are used to, for it took them over an hour to drive the last eight miles into their camp! But the scenery was really breathtaking. Everyone caught loads of fish and had a wonderful vacation.

Bill Bowman and son, Tom, traveled to Lake Isabelle over Labor Day week end. However, after fishing Saturday in 116 degree heat they decided to cut their trip short and came home Sunday afternoon. They found that they couldn't even buy drinking water during the terrific heat spell. Tommy did succeed in catching four fish and Bill managed to obtain a real good sunburn during their short stay. P. S.: They used Monday to recuperate.

Yosemite, as usual, has been popular with Ellinwoodites. Lucy and Sam Pesusich spent a two-week vacation there with their two children, Scott and Zandra. Lots of swimming, hiking, etc., were enjoyed by the four of them.

Bill and Doris Forrest and their children, Kathy and Brian, invited two other families to their cabin at Crestline over the week end. Joining in the fun of swimming and golfing were: Eska and Marge Wilson and their off-

spring, Marilyn and Chris, and Bill and Darby Bailey and children, Karen and Sandy Joe. A real good time was had by parents and children alike. Bill and Darby have sold their home on Highgrove, but they are still seen frequently when they visit their old neighbors here. They have moved into their brand new home at 24003 Huber Ave.

A bunko party was the unique way Mary Johnson chose to acquaint her new neighbors with everyone. The new residents are: Mildred and Dave Knights, of 4709 Green Meadows Ave., and Vivian and Pete Brown, of 4821 Green Meadows Ave. More than 20 guests attended the party at the Johnson home to meet their new neighbors. Refreshments were served after the evening was spent playing bunko.

Carl and Mary Johnson spent last week end at Balboa Island sans children. They had a fine time staying overnight with Carl's friends and spending the day with Mary's brother, Dick Huddleston, who is staying at Balboa for the week.

Four GP Men Elected to Mobil Assn.

Four employees of General Petroleum's Torrance refinery have been elected to membership in the Mobil Management Assn. of General Petroleum Corp. They are:

Walter A. Paepke, 2145 W. 82nd St., Los Angeles, machine-
construction department;

Robert F. Scherrer, 3334 Lowell Ave., Los Angeles, welder foreman in the engineering construction department;

James J. Tobin, 7521 Stewart Ave., Los Angeles, chief estimator in the engineering department; and

John A. Wardwell, 21121 Denker Ave., pipefitter foreman in the engineering construction department.
